Purchase Order Terms & Conditions

1. **Acceptance**
   These Purchase Order Terms & Conditions (these "Terms") constitute the entire agreement between 1X Technologies Inc. ("Buyer") and the supplier ("Seller") identified in the purchase order to which these Terms are attached or in which they are referenced (the "PO"), with respect to Buyer's purchase and Seller's sale of the products and/or materials identified on such PO (such products and/or materials, the "Products"). The PO is hereby incorporated by reference. Acceptance of this PO or commencement of performance shall constitute full acceptance of these Terms. By executing the PO, each party accepts and is bound by these Terms.
2. **Delivery & Risk**
   Buyer hereby agrees to purchase, and Seller hereby agrees to sell to Buyer the quantities of the Products set forth in the PO. Deliveries must comply with the schedule and quantities set forth in the PO and any other shipping instructions provided by Buyer. Risk of loss and title transfer according to Incoterm 2020 stated (default FOB Origin unless otherwise agreed by Buyer and Seller in writing). Buyer reserves the right to reject nonconforming Products (as further described below) or late deliveries.
3. **Quality & Inspection**
   All Products must meet Buyer's drawings, specifications, and quality standards, which [shall be attached to the Purchase Order] and are expressly incorporated herein by reference. Buyer may but shall have no obligation to inspect, test, and reject any Products that are defective, differ from the Products requested in the PO, in either quantity or quality, are unduly delayed, or otherwise violate these Terms. Seller shall promptly reimburse or replace, at Buyer's sole discretion any such nonconforming goods, in addition to any of Buyer's other remedies hereunder or at law or in equity. Inspection by Buyer does not relieve Seller of responsibility for defects or warranty obligations.
   a. **Nonconforming Product & Escape Notification**
      Seller shall **immediately notify Buyer** upon discovery of any actual or suspected nonconforming material, process deviation, contamination, or defect that may have been shipped. Seller shall implement containment, provide traceability data, and submit root-cause and corrective-action reports (e.g., **8D**) as required.
   b. **Supplier Corrective Action Requests ("SCAR")**
      If Buyer identifies nonconforming Product, Buyer may issue a SCAR. Seller shall:
      i. 3.2.1.Provide **immediate containment actions** within **24 hours** of notification.
      ii. 3.2.2.Submit an initial response including problem description, containment, and disposition within **48 hours**.
      iii. 3.2.3.Provide a full **root cause analysis** and **corrective action plan** (e.g., 8D or equivalent) within **ten (10) business days**, unless otherwise agreed.
      iv. 3.2.4.Implement corrective actions promptly and provide objective evidence of closure.
   c. Bear all costs associated with corrective actions resulting from Seller's nonconformance, including rework, replacement, and freight where applicable.
   d. Failure to respond to or implement corrective actions may result in rejection of the non-conforming Products, withholding of payment, or suspension of Supplier approval status. Additionally, Buyer will have the right to obtain a full refund or credit for any payments made with respect to any non-conforming Products, plus transportation charges for their return or disposal.

4. **Changes**
   Buyer may at any time prior to shipment of the applicable Products make changes in drawings, specifications, quantity, or delivery schedule. Seller shall promptly notify Buyer of any price or schedule impacts within five (5) business days for equitable adjustment.
5. **Price Stability and Firm Pricing**
   All prices stated in the PO are firm, fixed, and not subject to increase for any reason, including but not limited to fluctuations in raw material costs, labor, energy, transportation, exchange rates, tariffs, or geopolitical conditions. The Seller agrees that such external or market factors shall not affect the agreed pricing, which shall remain valid for a minimum of twelve (12) months from the PO date or as otherwise agreed in writing by the Buyer.
6. **Warranties**
   Seller warrants that (i) it has the right to enter into these Terms, (ii) the Products are new, free from defects, conform to specifications, and are fit for their intended use and the particular purpose for which Buyer will use them, (iii) Products will be delivered to Buyer free of all liens, claims and encumbrances, and (iv) the Products conform to Buyer's specifications as set forth in the PO or otherwise provided to Seller. Warranty period shall be the longer of twelve (12) months from acceptance or six (6) months from installation.
7. **Intellectual Property**
   All intellectual property, designs, drawings, software, and tooling produced for or funded by Buyer ("Buyer Property") shall remain the exclusive property of Buyer. Seller shall not reproduce, modify, or disclose the Buyer Property without Buyer's written authorization.
   a. Neither party may advertise, promote, or disclose the existence or contents of this Agreement, or use the name, logo, or description of the other party in any sales promotion work, advertising, or form of publicity, without the express prior written consent of the other party in each instance.
   b. In the event of a material breach of these Terms, the non-breaching party shall be entitled to seek any and all remedies available under law or equity, including but not limited to damages, specific performance, and injunction, in addition to any cure periods or notice requirements outlined herein.
8. **Tooling & Fixtures**
   All tooling, molds, and fixtures paid for by Buyer remain Buyer's property, shall be identified as such, maintained in good condition, and used solely for Buyer's orders. Seller shall insure such items and return them to Buyer upon request.
9. **Compliance & Ethics**
   Seller shall comply with all applicable laws, rules and regulations, including those related to labor, human rights, environmental protection, export control, and conflict minerals. Seller must maintain traceability and provide documentation upon request.
   a. **General Legal Compliance**
      Seller and the goods and services supplied hereunder shall strictly comply with all applicable international, federal, state, and local laws, rules and regulations, and industry standards, including without limitation those related to the manufacture, handling, transport, labeling, and sale of goods supplied under the PO. This also includes, without limitation, applicable U.S. consumer product safety requirements, hazardous materials regulations, packaging and labeling rules, and UL/IEC safety standards as specified by Buyer. Seller warrants that is has and shall continue to maintain all certifications, registrations, authorizations, permits or similar approvals that may be necessary or appropriate for Seller's performance hereunder or in connection with or

as may be necessary or appropriate for the goods and services provided hereunder.

b. **Environmental & Substance Compliance**
Notwithstanding the generality of the foregoing, Seller warrants that all goods supplied to Buyer comply with the following regulations, as applicable, and shall provide declarations or documentation upon request or as required by law:
   i. 9.2.1.**RoHS Directive (2011/65/EU + 2015/863)**
   ii. 9.2.2.**REACH Regulation (EC 1907/2006)** including SVHC and Annex XVII restrictions
   iii. 9.2.3.**California Proposition 65**, including any required disclosures
   iv. 9.2.4.**U.S. TSCA**, including PBT and PFAS-related restrictions
   v. 9.2.5.**Conflict Minerals** - On request

c. Seller shall notify Buyer in writing within forty-five (45) days of any regulatory changes, inquiries, correspondence or actions by any governmental authority, third-party claims, litigation, or orders, recalls, seizures, detentions, market withdrawals, updated SVHC listings, or identified noncompliance or defect that would affect or relate to, or would be reasonably expected to affect or relate to, the supplied goods or services.

d. **Material Disclosure & Documentation**
Seller shall provide material declarations (e.g., IPC-1752), Safety Data Sheets (SDS), Certificates of Conformance, and any other documentation required to verify regulatory compliance or otherwise reasonably requested by Buyer. Seller shall maintain all compliance documentation for a minimum of **ten (10) years**.

10. **Export Control & Data Security**
Seller shall comply with U.S. and international export control laws, rules and regulations and maintain appropriate cybersecurity measures. Transfer of controlled technical data requires prior written approval from Buyer.
11. **Subcontracting & Assignment**
Seller shall not subcontract, assign, or transfer any part of its rights or obligations under these Terms and/or the PO without Buyer's prior written consent. Seller remains fully responsible for performance of all approved subcontractors.
12. **[Counterfeit Parts Prevention**
Seller shall maintain a counterfeit-part prevention process compliant with AS5553/AS6174. Suspected counterfeit parts must be quarantined and reported immediately to Buyer.]
13. **Force Majeure**
Neither party shall be liable for delays or nonperformance due to events beyond reasonable control, provided prompt written notice is given to the other party and mitigation efforts are made.
14. **Confidentiality**
Seller agrees to keep all information, drawings, and data provided by Buyer to Seller (including all Buyer Property, "Confidential Information") confidential and Seller will not disclose Confidential Information to any third party or use the Confidential Information for any purpose other than fulfilling the PO.
15. **Invoicing & Payment**
Submit invoices directly to US Accounts Payable team at ap.us@1x.tech. Invoices must reference the PO number and include supporting documentation. Unless otherwise agreed, payment terms are Net 30 days from Buyer's receipt of a valid and accurate invoice. Buyer may withhold payment for Products that are defective, differ from the Products requested in any PO, in either quantity or quality, are unduly delayed, or otherwise violate these

Terms.

16. **Chargebacks:**
    If Seller fails to comply with any term of these Terms and/or the PO—including delivery schedules, product specifications, quality standards, labeling and packaging requirements, or documentation accuracy—Buyer may assess a chargeback to recover associated costs. These costs may include inspection, rework, replacement, expedited freight, administrative processing, and any customer penalties or operational impacts. Buyer may offset such amounts against any sums due to Seller or issue a debit memo requiring repayment within thirty (30) days.
17. **Insurance**
    Seller shall maintain adequate commercial general and product liability insurance and provide certificates naming Buyer as additional insured upon request.
18. **Inspection Rights**
    Buyer or its authorized representatives may, upon reasonable notice, access Seller's facilities to conduct audits, verify compliance, or inspect Products in process.
19. **Termination**
    Buyer may terminate the PO (and its related obligations hereunder) for breach, insolvency, or failure to deliver on schedule. Buyer may also terminate the PO (and its related obligations hereunder) for convenience with reasonable notice, compensating Seller solely for work completed to date.
    a. 19.1.**Expanded Termination (Goods & Services)**
       In addition to Buyer's other termination rights, Buyer may terminate the PO (and its related obligations hereunder) immediately, in whole or in part, if Seller: (i) fails to meet quality, delivery, service, or safety requirements; (ii) violates any law, regulation, or Buyer policy while performing services; (iii) places Buyer's personnel, property, or operations at risk; or (iv) engages in misconduct, negligence, or unethical behavior.
    b. 19.2.Upon termination of the PO for any reason, Seller shall promptly cease work, secure Buyer's property, return all Confidential Information to Buyer, as Buyer reasonably requests, and provide all completed Products paid for to date. Buyer shall have no liability for lost profits, overhead recovery, or future commitments due to such termination.
20. **Indemnity**
    Seller shall indemnify, defend and hold Buyer harmless from any claims, actions, suits, damages, or losses, costs or expenses (including all costs and attorneys fees), penalties, or any other liabilities in anyway arising from (a) infringement by the Products of any intellectual property rights of any third party, (b) the negligence or willful misconduct of Seller, (c) Seller's breach of these Terms or any PO or (d) Seller's violations of applicable law.
21. **Governing Law & Language**
    These Terms shall be governed by the laws of the State of California, USA, without regard to conflict-of-law rules. The English version of these terms shall prevail. If any provision is held invalid, the remainder shall remain in full effect.
22. **[Electronic Assemblies, PCBAs, and Compute Modules**
    In addition to and notwithstanding all obligations imposed hereunder, including without limitation Section 9, Suppliers of active electronic components, PCB assemblies, or compute modules shall ensure:
    22.1.Compliance with **FCC Part 15, Class-B** (Subpart B for unintentional radiators)
    22.2.Compliance with **CISPR 32, Class-B**
    22.3.Compliance with applicable **UL/IEC safety standards** (e.g., UL/IEC **62368-1**) as specified by Buyer.

1X Technologies Inc.
150 Industrial Road
San Carlos, CA-
94070
USA

22.4.Compliance with relevant **EMC requirements**, including IEC **61000-4** series immunity and **61000-6-3** emissions Harmonic and Flicker (pre-compliance acceptable unless otherwise required).

22.5.Provision of safety and EMC test reports, Certificates of Conformance, firmware version logs, and electrical change documentation upon request.

22.6.No changes to components, firmware, or layout without Buyer-approved PCN.

23. **RF, Wireless, and Radio-Enabled Modules**
In addition to and notwithstanding all obligations imposed hereunder, including without limitation Section 9, Suppliers of Wi-Fi, Bluetooth, UWB, or any RF-emitting modules shall ensure:
    a. 23.1.Compliance with **FCC Part 15 Class-B** (Subpart B for unintentional radiators; Subpart C/E for intentional radiators).
    b. 23.2.Compliance with **CISPR 32, Class-B**
    c. 23.3.**Modular certification** where applicable, including FCC ID and RF exposure/SAR documentation.
    d. 23.4.Compliance with **IEC/UL 62368-1** safety requirements for RF modules.
    e. 23.5.Provision of full RF test reports and supplier Declarations of Conformity upon request.
    f. 23.6.No changes affecting RF emissions or firmware without written approval via PCN.
24. **Batteries, Battery Packs, and Charging Systems**
In addition to and notwithstanding all obligations imposed hereunder, including without limitation Section 9, Suppliers of lithium-ion cells, battery packs, or charging assemblies shall ensure:
    a. 24.1.Compliance with **FCC Part 15, Class-B** (Subpart B for unintentional radiators)
    b. 24.2.Compliance with **CISPR 32, Class-B**
    c. 24.3.Compliance with relevant **EMC requirements**, including IEC **61000-4** series immunity and **61000-6-3** emissions, Harmonic and Flicker (pre-compliance acceptable unless otherwise required)
    d. 24.4.Compliance with **UN 38.3** transport testing and provision of the UN 38.3 Test Summary.
    e. 24.5.Battery safety compliance to **IEC 62133-2**, **UL 2054**, or **UL 1642** as applicable.
    f. 24.6.Delivery of SDS (Safety Data Sheet), BMS communication documentation (if applicable), and traceability for cell lot/batch numbers.
    g. 24.7.No substitutions of cell type, chemistry, BMS firmware, or pack configuration without Buyer-approved PCN.
25. **21.4 Wiring, Cables, and Connectors**
In addition to and notwithstanding all obligations imposed hereunder, including without limitation Section 9, Suppliers of cables, harnesses, and connectors shall ensure:
    a. 25.1.Use of **UL Recognized** wire types (e.g., UL **1007**, **1015**, etc.) compliant with UL **758** and UL **2556**.
    b. 25.2.Insulation and dielectric properties appropriate for rated voltage/current.
    c. 25.3.Flammability compliance to **UL 94** (HB minimum, V-2 or V-0 where specified).
    d. 25.4.Documentation of wire gauge, material, insulation, temperature rating, and connector certifications.
26. **21.5 Plastic Parts, Molded Components, and Enclosures**
In addition to and notwithstanding all obligations imposed hereunder, including without limitation Section 9, Suppliers of plastic housings, covers, structural polymers, or injection-molded parts shall ensure:
    a. 26.1.Resin compliance with **UL 94** flammability ratings specified by Buyer (HB, V-2, or V-0 as applicable).
    b. 26.2.Compliance with UL **746C** for polymeric materials used in proximity to electrical components.
    c. 26.3.Documentation of resin UL File Number and any additives or colorants.

d. 26.4.No changes in resin supplier, colorant, or formulation without PCN and approval.

27. **21.6 Mechanical Components (Metal Parts, Machined, Cast, Stamped)**
    In addition to and notwithstanding all obligations imposed hereunder, including without limitation Section 9, Suppliers of metal or mechanical components shall ensure:
    a. 27.1.Compliance with material specifications, surface finish requirements, and dimensional tolerances provided by Buyer.
    b. 27.2.Surface coatings and treatments comply with all applicable environmental regulations (including RoHS, REACH, TSCA).
    c. 27.3.Provision of Certificates of Conformance and material certificates (where required).
    d. 27.4.Edges, surfaces, and geometry that meet applicable consumer product safety expectations (no hazardous burrs or pinch features without intentional design).
28. **21.7 Cameras, Vision Systems, and Optical Modules**
    In addition to and notwithstanding all obligations imposed hereunder, including without limitation Section 9, Suppliers of camera modules or optical/electronic sensors shall ensure:
    a. 28.1.Compliance with **FCC Part 15, Class-B** (Subpart B for unintentional radiators)
    b. 28.2.Compliance with **CISPR 32, Class-B**
    c. 28.3.Compliance with applicable **UL/IEC safety standards** for electronic modules.
    d. 28.4.EMC compliance per IEC **61000** series requirements. Compliance with relevant **EMC requirements**, including IEC **61000-4** series immunity and **61000-6-3** emissions, Harmonic and Flicker (pre-compliance acceptable unless otherwise required)
    e. 28.5.For IR, VCSEL, or structured-light emitters: compliance with **IEC 60825-1** laser safety requirements and provision of classification documentation.
    f. 28.6.Firmware version logs and optical calibration documentation provided upon request.]
29. **Services & Contractor Obligations**
    If Seller provides services under the PO, Seller shall perform such services in a professional, workmanlike manner consistent with industry standards. Seller is responsible for providing all labor, tools, equipment, supervision, and materials necessary to perform the services. Seller shall ensure all personnel are properly trained, certified, and authorized to perform the contracted work. Buyer may reject any personnel who, in Buyer's reasonable judgment, are unqualified or unsafe.
30. **Health, Safety & Environmental Requirements**
    Seller and its personnel shall comply with all applicable health, safety, and environmental laws, as well as Buyer's site-specific safety policies when performing work on Buyer's premises. This includes, but is not limited to, use of required PPE, adherence to lockout/tagout procedures, hazard communication standards, and reporting of any injuries, spills, incidents, or unsafe conditions within twenty-four (24) hours. Seller is solely responsible for the safety of its employees and subcontractors. Buyer reserves the right to suspend or remove any personnel who violate safety rules.
31. **Independent Contractor Status**
    Seller is an independent contractor and not an employee, agent, joint venture partner, or legal representative of Buyer. Seller is solely responsible for all wages, taxes, insurance, benefits, workers' compensation, and legal compliance for its employees and subcontractors. Seller shall indemnify Buyer from any claims arising from Seller's failure to comply with such obligations. Nothing in this PO shall be interpreted as creating an employment

relationship between Buyer and Seller's personnel.

32. **Assignment**
    Neither the PO nor any interest herein will be assigned or transferred in whole or in part by Seller by operation of law or otherwise without Buyer's written consent. Any attempted assignment or transfer without such consent will be void. Buyer may assign the PO and these Terms to any of its affiliates or to a successor to all or substantially all of its business to which these Terms relate, whether by merger or purchase.
33. **Miscellaneous**
    These Terms apply to all purchase orders issued by Buyer after the PO (with each such purchase order together with these Terms constituting its own agreement), unless superseded by a written agreement signed by both parties. To the extent of any conflict or inconsistency between the provisions in these Terms and the PO, the terms of these Terms will govern, provided that the term or condition of the PO will govern if and only if such PO expressly states that it is the intention of the parties to amend these Terms and the specific section herein to be amended is referenced in such PO. In consideration of the prices charged for the Products, these Terms supersede any proposals, provisions, terms, and conditions contained in the PO or other writing Buyer may have given or may hereafter give, and the rights of the parties will be governed exclusively by these Terms. The failure of either party to enforce its rights under these Terms at any time for any period will not be construed as a waiver of such rights. Without limiting the foregoing, no modification will be effected by the receipt of Seller's acknowledgments, invoices, shipping documents or other forms containing terms or conditions in addition to or different from these Terms. Buyer's failure on any occasion to insist on strict performance on any term or condition hereof will not constitute a waiver of compliance with such term or condition on any other occasion or a waiver of any default. Notices to Buyer must be sent to the billing address set forth in the PO; all notices will be deemed received three (3) days after being deposited in the U.S. mail, postage prepaid.
